# TREATMENT MENU

---

## CONSULTATION (45 MIN)

£100

*- including Observ skin analysis*

A thorough evaluation of your individual concerns and in depth skin analysis. We take a 360 approach to understand your lifestyle, your needs, challenges and desired outcomes. Using the OBSERV 520, we assess underlying skin health, texture, tone, and other key factors. From this, we create a bespoke treatment and skincare plan tailored to your needs.

---

# MICRONEEDLING

---

## ADVANCED SKINPEN MICRONEEDLING

Uses ultra-fine needles to create microchannels, stimulating collagen and elastin for improved texture, firmness, and overall renewal. Ideal for fine lines, wrinkles, scarring, and hyperpigmentation.

## MICRONEEDLING + EXOSOMES

Delivers Purasome exosomes enriched with micronutrients and growth factors to accelerate healing, amplify collagen, and reduce downtime. Particularly effective for acne scars, fine lines, and dull or ageing skin.

## MICRONEEDLING + PRX-T33

Combines microneedling with PRX-T33, a bio-revitalising solution that stimulates dermal regeneration, brightens pigmentation, and firms the skin with minimal downtime.

## MICRONEEDLING + NCTF

Pairs collagen induction with a nutrient-rich NCTF infusion of vitamins, minerals, amino acids, and hyaluronic acid, enhancing hydration, elasticity, and radiance.

Medical microneedling with Dr Marcus	£ 350
Medical microneedling with Dr Marcus (course of 3 sessions)	£ 950
Microneedling + exosomes	£ 500
Microneedling + exosomes (course of 3 sessions)	£ 1350
Microneedling + PRX	£ 450
Microneedling + PRX (course of 3 sessions)	£ 1200
Microneedling + NCTF	£ 450
Microneedling + NCTF (course of 3 sessions)	£ 1200
Dermalux Tri-wave MD LED add on	£ 75

---

## DR MARCUS'S SIGNATURE SKIN TREATMENT

A meticulously curated combination designed for maximal results with minimal downtime. This exclusive protocol blends PRX-T33, microneedling with exosomes, and Dermalux Tri-Wave MD LED light to stimulate collagen, accelerate repair, and rejuvenate the complexion - leaving skin firmer, brighter, and renewed.

Microneedling + PRX + Exosomes + Triwave LED light	£ 750
Course of 3	£ 2000

## ADDITIONAL TREATMENTS

---

### SECRET RF

A next-generation microneedling radiofrequency treatment that works beneath the skin's surface to stimulate collagen and elastin production. By delivering controlled energy through micro-needles, Secret RF effectively tightens lax skin, smooths fine lines, and can also significantly improve the appearance of acne scars - leaving the complexion firmer, clearer, and more youthful.

Secret RF Face	£ 795
Secret RF Face (course of 3)	£ 2000
Secret RF Face & Neck	£ 1000
Secret RF Face & Neck (course of 3)	£ 2500
Secret RF Face, Neck & Décolleté	£ 1350
Secret RF Face, Neck & Décolleté (course of 3)	£ 3300
Exosomes add on	£ 200
Dermalux Tri-wave MD LED add on	£ 75

---

### DERMALUX TRI-WAVE MD LED LIGHT

A medical-grade, gold-standard LED therapy that uses three wavelengths to target a variety of skin concerns, including acne, pigmentation, rosacea, fine lines, and inflammation. Can be used as a standalone treatment or added to other procedures to accelerate healing, reduce downtime, and enhance overall results.

Dermalux Tri-wave (20 minute session)	£ 125
Dermalux Tri-wave (course of 3)	£ 325
Dermalux Tri-wave (course of 6)	£ 600
Dermalux Tri-wave add on (10 minute session)	£ 75

## CHEMICAL PEELS

---

### OBAGI BLUE PEEL RADIANCE

A gentle rejuvenating peel that smooths texture and brightens the skin. Perfect for restoring luminosity and an instantly revitalised glow.

Obagi Blue Peel Radiance **£ 2 0 0**

Obagi Blue Peel Radiance (course of 3) **£ 5 4 0**

### PRX T-33

A next-generation bio-revitaliser that stimulates collagen and firms skin without peeling. Leaves the complexion lifted, radiant, and refreshed with minimal downtime.

PRX T-33 **£ 2 5 0**

PRX T-33 (course of 3) **£ 6 7 5**

Dermalux Tri-wave MD LED add on **£ 7 5**

## BBL AND MOXI

---

### **BBL HEROic™** (*BroadBand Light – High Energy Rapid Output*)

An advanced BroadBand Light treatment designed to promote clear, brighter skin while targeting pigmentation, redness, sun damage, rosacea, acne, and visible signs of aging. Using High Energy Rapid Output technology, BBL HEROic™ delivers faster, more precise, effective, and safe results—outperforming traditional IPL treatments. Ideal for comprehensive skin rejuvenation and can be combined with MOXI for enhanced outcomes.

BBL HEROic Face	<b>£ 6 0 0</b>
BBL HEROic Face (course of 3)	<b>£ 1 7 0 0</b>
BBL HEROic Face & Neck	<b>£ 8 0 0</b>
BBL HEROic Face & Neck (course of 3)	<b>£ 2 1 5 0</b>

BBL HEROic Hands (course of 3)	<b>£ 7 0 0</b>
BBL HEROic Small Area - e.g. nose veins	<b>£ 2 5 0</b>
BBL HEROic Small Area - e.g. nose veins (course of 3)	<b>£ 7 0 0</b>
BBL HEROic Medium Area - e.g. chest, arms & hands	<b>£ 4 5 0</b>
BBL HEROic Medium Area - e.g. chest, arms & hands (course of 3)	<b>£ 1 2 0 0</b>
BBL HEROic Large Area - e.g. full leg, full back	<b>£ 8 0 0</b>
BBL HEROic Large Area - e.g. full leg, full back (course of 3)	<b>£ 2 1 5 0</b>

## BBL AND MOXI

---

### MOXI™

A non-ablative fractional laser using a 1927nm wavelength to gently renew the skin and enhance natural radiance. MOXI improves uneven tone, early sun damage, texture, and the appearance of pores with minimal downtime. A refined choice for preventative care and rejuvenation, and can be paired with BBL for a complete skin-refreshing treatment.

MOXI Face	£ 6 5 0
MOXI Face (course of 3)	£ 1 7 5 0
MOXI Face & Neck	£ 8 5 0
MOXI Face & Neck (course of 3)	£ 2 3 0 0
MOXI Face, Neck & Decollete	£ 1 1 5 0
MOXI Face, Neck & Decollete (course of 3)	£ 3 1 0 0
MOXI Hands	£ 3 0 0
MOXI Hands (course of 3)	£ 8 0 0
<b>Exosome Add On</b>	<b>£ 2 0 0</b>

---

### BBL HEROic + MOXI COMBINATION

BBL HEROic + MOXI Face	£ 1 1 5 0
BBL HEROic + MOXI Face (course of 3)	£ 3 1 0 0
BBL HEROic + MOXI Face & Neck	£ 1 5 0 0
BBL HEROic + MOXI Face & Neck (course of 3)	£ 4 0 0 0
BBL HEROic + MOXI Face, Neck & Decollete	£ 2 0 0 0
BBL HEROic + MOXI Face, Neck & Decollete (course of 3)	£ 5 4 0 0
BBL HEROic + MOXI Hands	£ 6 0 0
BBL HEROic + MOXI Hands (course of 3)	£ 1 6 0 0
<b>Exosome Add On</b>	<b>£ 2 0 0</b>
